The movie begins when Frank stops to aid a car-crash victim - Steve. Frank is still coming to terms with his own wife's suicide, so when Steve mentions attending dance classes, Frank considers attending the classes himself (in place of Steve).

Steve informs Frank that he was in love with a girl named Lisa, who danced at the school when he was a 12-year-old boy. Now, some 40 years later, Frank hopes to rekindle their flame. Instead he meets Meredith, a woman he hopes will fill in the aching gap left by the death of his wife.
