## At the Movies

For many of our residents, the Golden Age of Hollywood brings back memories of grand theaters and regal movie stars.

Our residents enjoy watching some of the timeless films from this era, with such titles as "Gone with the Wind" and "Casablanca", in our Theater Lounge, located on the third floor of Independent Living.

Central Baptist Village recently purchased a 52" flat panel television, complete with surround sound, which will help enhance our residents' movie theater experience. The new flat panel television utilizes the latest technology to provide superior picture and sound quality.

With snacks in hand, residents are able to enjoy one of their favorite classic films in comfortable oversized chairs.

Residents are also welcome to use the Theater Lounge, if the room is available, for a small gathering with their family and friends.

The new television was purchased through the generous support of the Talarico Family in memory of their father, former resident Joseph Talarico. We would like to thank them for making this wonderful addition to our Theater Lounge possible.

We are certain that the theater will be enjoyed by our residents for many years to come.

## Packaged with Love

The Men's Club of Central Baptist Village has been actively involved in a variety of volunteer projects and fundraising endeavors since their founding in 2006.

Recently, several members of the Men's Club, including George Staman

(pictured below), gathered for a service project which consisted of making Valentine's Day goodie bags for local Home Delivered

Meals' recipients.

With assistance from Karen Walther, Activity Director, and Chuck Newton, Executive Director, The Men's Club formed an efficient assembly line and completed over 150 goodie bags in less than an hour. Each bag contained an assortment of Valentine's Day themed candy and other treats.

The members of the Men's Club enjoy volunteering and appreciated the opportunity to help brighten the lives of fellow seniors in the Norridge community.

On behalf of the Meals on Wheels recipients, we would like to thank the Men's Club for this thoughtful gesture.
