He is Risen!

On Sunday, April 12th, many Central Baptist Village residents came together in our Chapel for a very special Easter service.

At the service, our choir, called the Village Charmers, gave a special performance with accompaniment from some members of the hand chime choir.

Our beautiful Chapel was adorned with Easter lilies and tulips which were on loan from our residents.

During the service the stained glass window with the theme "The Resurrection" (pictured left) was unveiled after being draped for the Good Friday service.

day service.

Additionally, resident crafters Adeline Furlan, Lillian Moynihan, and Mary Biagioni (pictured below) made a colorful banner for the service which displayed the message "He is risen."

Thank you to everyone who helped make our Easter worship service so special.

100 Years Young

On April 1st Central Baptist Village resident, Estelle Przybylski, turned 100 years young. To celebrate this milestone, a large party was held in her honor.

Estelle, a resident of Central Baptist Village since 2004, is one of four Centurions residing at Central Baptist Village.

Estelle has three children, six grandchildren and eleven great-grandchildren. Her daughter, Lorri Romano, who was in attendance at the party, describes her mother as "kind, patient, generous and always positive".

Many residents, staff, and volunteers came to the event to give Estelle their well wishes. Additionally, Estelle was crowned with a tiara by Central Baptist Village's Executive Director, Chuck Newton.

When asked to describe her life, Estelle states, "I enjoyed it. I had a good time all my life".

We are blessed that Estelle has chosen to call Central Baptist Village home, and we wish her all the best on this special and memorable occasion.
