

Join us at the movies!!!

Singin' in the Rain (1952), is one of the most loved and celebrated film musicals of all time.

This joyous film is a charming, up-beat, graceful, thoroughly enjoyable experience with great songs, flashbacks, wonderful dances, casting and story.

Because the colorful, witty film is set in 1927, it humorously satirizes and parodies the panic surrounding the troubling transitional period from silents to talkies in the dream factory of Hollywood of the late 1920s as the sound revolution swept through.
